

November 1, 2017

Dear Parent(s) or Legal Guardian:

The Lowell Middlesex Academy Charter School in partnership with Lowell General Hospital is offering an onsite flu clinic.

**Flu Vaccination in the form of the shot will be given at LMACS
between 11am and 12pm on November 8, 2017.
This flu shot is available to any student at LMACS.**

We are providing this onsite immunization clinic in an effort to help raise flu vaccination rates and ultimately protect students, family members and faculty from getting and spreading the flu.

The single best way to help prevent the flu is to get vaccinated each year. Influenza vaccine is given once a year because immunity decreases after a year. Each year's vaccine is formulated to prevent only that year's anticipated most common circulating flu germs.

In order for your child to receive the flu shot, please read the CDC Vaccine Information Statement provided. Please complete the consent form, including insurance information, and return it to LMACS by November 7th.

If you have any questions or would like more information, please call me at (978) 656-3461.

Sincerely,

Amy Hendl, RN
