

Lowell Middlesex Academy Charter School

Our Mission: Students will achieve academic, social and career success.

The mission of Lowell Middlesex Academy Charter School (LMACS) is to enable its students to achieve academic, social, and career success. This supportive school community identifies, encourages, and develops interests and abilities, while acknowledging and respecting each student's personal and cultural identity.

Our Vision: Students will be nurtured and developed as whole individuals.

The curriculum of LMACS is built around a core of academic subject areas and is supplemented by required psycho-educational courses and career preparation. We require a school-to-work component and daily advising, and offer dual enrollment at Middlesex Community College. The LMACS curriculum reflects our small size and mission-driven culture.

Our Belief: Students and staff will contribute to a welcoming school community.

All students have the potential to achieve when provided with supports that meet them where they are. Students must feel safe, both physically and emotionally, in their school and classrooms. Each member of our community brings unique strengths and experiences that should be valued. We act with integrity and honesty in our academic, personal and professional endeavors.

Our Values: Students and staff will be guided by 10 core ethical values.

LMACS is founded upon 10 Ethical values which guide our curriculum and school culture. Engraved on each leaf of our Tree of Success, these values – respect, courage, responsibility, truthfulness, justice, unity, agape, achievement, freedom, and peace – are embedded in daily interactions and celebrated throughout the school year.

Our Graduate: Students will graduate as well-informed college- or career-ready citizens.

Academic Success

- » Demonstrate knowledge and understanding of academic content;
- » Utilize technology to gather, analyze and present information;
- » Generate innovative, creative ideas and products.

Social Success

- » Exemplify respect, teamwork and leadership;
- » Make choices that promote physical and emotional health and safety;
- » Demonstrate a clear awareness of the rights and responsibilities of a community member.

Career Success

- » Exhibit effective self-management skills;
- » Demonstrate the ability to take action in pursuit of chosen goals;
- » Develop a plan for the future.
